

Teacher	How each teacher is communicating and teaching remotely	What teachers expect of students during the school closure in terms of interaction	Additional Information to parents to ensure their son/daughter is aware of the information below:
Iníon Smith	OneNote	Contacted twice a week, work given once a week	
Iníon A Brady	OneNote & school email & PowerPoint resources	2-3 times per week students are to reply to the work to update me on their progress and work completed as set.	Parents please be aware that ALL students have been set more than adequate amounts of work now (non exam years) and measures are in place to ensure your child's learning remains at the forefront. Please encourage your son/daughter to complete the work set and reply via methods requested as per subject teacher for deadline.
Iníon Boyd	Microsoft Teams	My students should check their Teams account twice to three times a week as I will be uploading the work and notes frequently.	If any student has any issue with the work given, please contact me via email or Teams and I will respond as soon as I can.
Iníon Breen	Schoology/school email	Every 2 days	Specific instructions for work and deadlines will be posted with assigned work
Iníon Buchanan	OneNote, school email	Give work once a week to be completed for the following week.	Not all students are replying to emails so I am unsure as to whether they are completing work or not. Please monitor this with your child.
Iníon Butler	Schoology	Once a week via schoology. I will be assigning ICT and DML tasks once a week via this platform to be completed the following week. For Transition Year students this is also the same.	Please advise students to check updates on schoology and to email me if they need the access code.
Iníon Clarke	OnteNote and Microsoft Teams	I will contact them on days I have them to let them know what the work is for the day and where they can find it on teams. All resources to complete work will be available to students on OneNote	Parents of music students should encourage students to continue performance practical as it is an important element of the course.
Iníon Derwin	OneNote	All students were emailed worksheets and informed that work was uploaded to Corona Folder. The work is set once per week and students can email for help.	First year, second and fifth year students all have work in a folder called Corona. Fifth year biology students have a YouTube channel with tutorials specially made for them, this is the time to get back on track and progress at their own speed.
Iníon Dowling	OneNote to upload notes and class materials. Teams to submit assignments	Work will be posted for every class I am timetabled to have with them	
Iníon Duffy	OneNote	Please check One Note on the day that you would normally have Irish.	Please upload the homework to One Note only do not email it to me.
Iníon Flynn	Schoology and OneNote	I expect students to check schoology if not every day, every second day. I contact students every day and have told them I am available by email also if they have any questions. When I set work, I expect students to have this completed within the reasonable deadline that I have set.	Please make sure your children are engaging with and completing the work given.

Iníon Garrett	OneNote and Email presently with Teams/Zoom in future	Daily Monday-Friday on School Days	If they are stuck on something not to spend too much time and email their queries between 8am-6pm Monday-Friday
Iníon Giles	OneNote	Once or twice a week to email work for the week. New material will go up on OneNote daily	To check emails regularly
Iníon Glennon	Schoology for uploading work, Outlook for email, Microsoft Teams for voice chat	Every Sunday I upload a weekly schedule of work onto Schoology, each day we would normally have class I assign roughly 40 mins of work. This is due back the following Friday evening.	Please keep checking the "updates" section of Schoology for work every week. This is also in thr Covid19 Closure folder under "materials"
Iníon Gorman	OneNote	I will contact the students on a Tuesday and Thursday (2nd yr) or Monday and Wednesday (5th yr) via email	Students should upload pictures of their work to the Homework folder in OneNote
Iníon Hession	Students have a timetable of work to complete on Onenote with links to all work. Zoom lessons will be started and teams will be set up once go ahead is given to set up. I am contactable through emails and teams.	Students to complete the daily work given and to upload to their Onenote.	I am contactable via email and any additional work completed, can be sent to me for feedback.
Iníon Kelly	OneNote	Students should check their OneNote 3 times a week (every second day)	
Iníon Keogh	Schoology, Microsoft Teams	Students must continue to be present and engaged in work issued. Students are issued with classwork and homework daily. They are allocated their work on platforms such as teams and Schoology.	There are some fifth years that are not engaging with the content issued online. They must remain on task and complete allocated work to ensure they do not fall behind with their learning.
Iníon Kerr	OneNote, Microsoft Teams, Email	Students will be assigned work during their normal class times. Depending on the type of work students will be given a date to have the work uploaded by. I have informed students that I am available through email or Microsoft Teams Monday to Friday to answer any questions they have.	N/A
Iníon Mc Mahon	OneNote, Schoology, and email and I plan to use Zoom shortly	I set work 3 times a week, I put a message detailing the work on schoology in the morning, along with a due date and create a folder in the assignment section for it to be submitted. They can email if they have problems.	If any students have an issue accessing email then they must cal the school officie 046-9012130

Iníon Mc Quillan	OneNote and Outlook	They will receive work each on onenote each day we would have our lesson in school. They will get an email reminding them that their work is on onenote before the lesson starts. They are then expected to have this work uploaded before the start of their next lesson.	It is very important that students are uploading work when it is required to be uploaded to ensure that they do not fall behind.
Iníon McDonogh	Schoology and school email	New assignments and deadlines will be set on Tuesdays. Students are welcome to communicate with me throughout the week via Schoology or email.	If for some reason a student cannot complete a deadline please get in contact to let me know.
Iníon Murphy	Schoology	Twice a week	Check schoology for regular updates.
Iníon Ní Cheallachain	Schoology / School Email	Work will be set on a weekly basis based on the amount of classes that group would have had, students can complete work on a daily basis or complete work in a block. Students will be contacted via email as there was no time for a contingency plan to be put in place before school closures.	To contact me via email if there are any issues/concerns anything I can help with or clarify, students will be contacted via email and will therefore have my email address.
Iníon Ní Mhioch	Schoology and school email	It depends on the task, for example 5th years are currently reading their class novel and are set class questions every few days, whereas 2nd years are working on CBA's and are submitting questions whenever possible	To email if any question arises
Iníon Ní Shé	Schoology	They have been contacted everyday but I may reassess this situation but will definitely be in contact with students 2-3 times a week.	Students need to check Schoology as they will have missed out on a crucial part of the year's work
Iníon NicEoin	Schoology, Email and Zoom	Work and Notes are put on Schoology twice or three times a week. I have also been in regular contact via email with students who were having problems with certain questions set for homework	The second year CBA has been postponed until after Easter, so they are working on Statistics at the moment
Iníon O'Donnell	OneNote, Kahoot	2nd year Geography students to check email on Monday for revision work assigned for week - including worksheets and Kahoot quizzes, both shared on OneNote . 2nd year Higher Level Maths students are emailed every morning with work to complete that day. Students have been provided instruction on how to upload work to OneNote for correction.	2nd Year Higher Level Maths students are encouraged to spend at least 30min every day focusing on Maths.
Iníon Raza	Schoology, OneNote, Email and screen recording via PowerPoint	1st year and 5th year Maths Class. I contact them everyday of the week 2nd year Coding Class. I contact them only one time a week	Please check everyday that your child uploads their homework onto the digital resources assigned to their year group

Iníon Richardson	OneNote, Zoom and email	2nd years will receive work once per week with an adequate level of work to make up the 3 classes per week we would usually have. 5th years have work 2-3 times per week (Monday, Thursday and Friday) with a zoom session on Fridays.	Students need to continue to engage with content as they are very broad courses. Students will be set online tests on topics. I am available via email at any point during the week and have been making solutions videos to correct work.
Iníon Sharkey	None - students will be emailed work on the day of their class.	To check emails on the day of their assigned class - once a week	Students are invited and encouraged to email any career related query to dsharkey.Cnm@lmetb.ie
Iníon Uí Ruairc	OneNote and school e-mail.	Students should check OneNote at usual class time, also e-mail those same days for any follow-up.	Students are set regular homework and should email completed work to me.
Iníon Woods	Schoology	I will post work each day that I would normally have them for class.	Check schoology for deadlines for work to be completed. 1st and 2nd yrs should also download the edco ebook for free. Details of how to do this are in the updates on schoology.
Máistir Behan	Emailing via pbehan.cnm@lmetb.ie with PowerPoint Presentations / Assigned Poster Work of Topics/ Exam Questions / Drawings	I email students/year groups at least twice a week between Monday-Friday and I expect a reply from each student.	To ask students if their work is completed and emailed back to Maister Behan as per the deadlines set for every Friday. Most of the work that is assigned was previously taught in class but to please email if they have any questions with the work assigned.
Máistir Burke	I am using One Note to communicate with my 1st and 2nd year groups, Also 2nd years receive an email explaining the work that needs to be completed every Monday and Wednesday as a direct reminder.	Both my 1st and 2nd year groups receive work on Monday and Wednesday so as not to be overwhelmed with work. They should be submitting evidence of completed work for correction into their "Homework" folder on One Note	2nd year history class have a CBA that was due to be completed so can be researching/working on that - all information is on One Note under "CBA 1". 1st years can complete a "Geography in the News" article if they have completed all work
Máistir Byrne	Continuing to use OneNote and incorporating Zoom also YouTube tutorials.	Keeping to normal school timetable to touch base with students	YouTube tutorials available on CNM technology department YouTube channel
Máistir Dunne	OneNote and Microsoft Teams. Students have been emailed instructions as a class group.	Work is set each time they have a timetabled lesson. New work is always uploaded to OneNote. Students must then upload a photo of their completed work to OneNote. When there is a 'live' lesson students will receive an email in advance and should be online at the appropriate time.	Students must use their allocated student email. If there are problems logging in please contact the school. Students should try to follow their regular timetable as much as possible. This ensures they do not miss out or fall behind with work.
Máistir Gillic	OneNote, Zoom	Students will be emailed with school work on Saturday and the hand up date is the Friday of that coming week at 18:00.	Students will be able to access the departments youtube channel to watch videos relating to specific topic principles to help them with answering questions.
Máistir Halpin	OneNote, school Email	Check email daily. Assignments will be given for pupils to complete once/twice a week. Students must then submit work to me via email or OneNote.	If you have any queries please contact myself.

Máistir Horan	Schoology	Students have been directed to three booklets of revision material- one for key terms, one for documents, one for People in History. I have told them that for each of the three booklets, they should work on the chapters that relate to finding out about the past, early Christian Ireland, Ancient Rome, the Middle Ages and the Renaissance.	The revision work assigned is self directed in the sense that the answers for each of the three revision documents are in the relevant chapter of the book. If students do need assistance I am available to answer queries on Schoology.
Máistir Lanigan	OneNote (1st and 5th) Schoology (3rd)	2/3 times per week	1st and 3rd years following a revision plan and uploading their work at regular set dates. 5th years receiving video tutorials with homework to be uploaded to OneNote.
Máistir Murtagh	Schoology (White Folder entitled 'School Closure'), Zoom for teaching directly to students during timetable lessons, Business website www.colaistenamibusiness.com , Sporcle for key terms.	I will be teaching directly during timetabled lessons. I can be emailed out of class times or comment box on Schoology status.	
Máistir Ó Fionnagáin	OneNote	1st Year Science - Work is uploaded onto OneNote every Monday & Thursday. Students have been made aware that they must upload photos of work given to OneNote also. 2nd Year Science - Work to be uploaded on OneNote each Thursday. Again they must upload any written work to OneNote.	It is important that students check OneNote and keep up to date with the work given.
Máistir Rayel	OneNote	2nd Year Tech Graphics: I set out work for students at the start of the week. This is emailed to every student and is also on their OneNote. I expect students to complete this work during the week and upload it to OneNote, a picture from their iPads will suffice.	Check emails and One Note for work.
Máistir Reilly	OneNote/ Microsoft Teams/Email	Classes will be contacted and expected to complete work on the days they usually have class	
Máistir Tynan	Schoology, OneNote , email and Zoom	I am setting work twice a week and have started online class with 5th years	If students are have connection issues and trouble accessing OneNote material, if they email me I can provide it via email
