12<sup>th</sup> March 2020

Dear Parent/Guardian,

As you are probably aware the Taoiseach announced at 11.30AM today that all schools will close from 6PM today until 29<sup>th</sup> March. School will finish as normal for students at 3.15PM today. This is an ongoing situation and I will keep you informed as we are given more information regarding issues such as preparation for oral and practical examinations for 3<sup>rd</sup> and 6<sup>th</sup> year students. For now the school has the following plan in place:

- All students have been re-issued with their usernames and passwords. Students can access their school email accounts. Teachers will be communicating with them using this method with any information required.
- All students are asked to bring all their school books home today. We will be providing them with black bags for any books they wish to bring home that they cannot fit in their school bags.
- If it was possible for students to be collected today this would help as bags will be heavy.
- We will be in contact with parents/guardians by text if and when we get further clarification from the HSE and Department of Education.

Yours faithfully,

---

Eilis Flood (Principal)
