

WHAT IS IXL?

IXL is an online learning platform offering personalised, interactive practice in maths and other subjects for students of all ages.

HOW IS IT USED?

IXL is used in class on iPads for personalised math practice, and can also be accessed at home for continued skill development.

INTERACTIVE & FUN

IXL is interactive and fun with engaging exercises, instant feedback, and leaderboards that motivate students to compete and improve.

IXL AT HOME

Access IXL at home via your iPad to practice math skills with personalised exercises from your teacher. These appear as starred practice from your teacher.

REWARDS

IXL REWARDS INCLUDE VIRTUAL MEDALS, CERTIFICATES, AND BADGES. WE ALSO USE WHOLE SCHOOL LEADERBOARDS AND IN-CLASS REWARDS TO MOTIVATE STUDENTS.

ANY QUESTIONS?

If you have any questions about passwords or usernames, please reach out to your child's maths teacher.
