

Alumni

STUDENT ALUMNI COUNCIL

The first ever Coláiste na Mí Student Alumni Council is now established. Members consist of past pupils from a range of graduated year groups who have gone on to a wide variety of areas such as; third level education, apprenticeships, PLC courses, the workforce, both nationally and internationally.

Former Coláiste na Mí students will meet current students to deliver workshops, talks and support in interview preparations throughout the new year. It is an excellent opportunity to be part of delivering their experiences and knowledge to current students to support them in their decision making for subjects and life after school. The Student Alumni Council is regularly being developed with new members proudly joining annually.

Please contact Iníon A Brady on email of abrady.cnm@lmetb.ie if you are a past pupil and or a parent / guardian of a past pupil who would like to get involved.

Iníon A Brady

CNM Student Alumni Council Co-ordinator
