

Student Leadership

Coláiste na Mí endeavours to provide opportunities for students to engage with leadership throughout their academic career, from class presentations to speaking at the Oireachtas. There are five factions of leadership in our school; Ardchinnirí (Head Students), Cinnirí Sinsir (Peer Mentors), Comhairle na Daltaí (Student Council), Comhairle Spóirt (Sports Council) and Cinnirí Ranga (Class Representatives). These five factions allow over one hundred students to lead and make positive change at Coláiste na Mí.

Cinnirí Sinsir

Every 1st year student will know the students with the red ties, the Cinnirí Sinsir or peer mentors. Their main role is to guide and mentor new students to make the transition from primary school to secondary school as easy as possible. These students are excellent role models and lead by example.

Ard Chinnirí

Following a rigorous application and interview process these four students are our Head Boys and Head Girls. Introducing Seán O'Connell, David Denila, Méibh Donfield and Amelia Hallahan. They endeavour to represent and lead CNM with pride, passion and determination.

Comhairle na Daltaí

The Student Council is elected by the student population following canvassing, speeches and votes on polling day. The council are responsible for many positive changes around the school and have raised much needed funds for multiple charities. We are excited to see what the newly elected council achieve this year.
