Introduction

Mission Statement

Coláiste na Mí is a child-centred, supportive learning environment where each student is encouraged and facilitated in realising their full potential in a positive climate which is caring, respectful, fair, and inclusive.

The school community of Coláiste na Mí is a partnership of students, staff, parents, and all members of our community.

The promotion of personal development and learning through hard work, creativity and commitment is a priority in our school.

Rationale

Coláiste na Mí aspires to be a school of excellence. This will be possible where respect, courtesy, and pride in the Coláiste are the cornerstone of the relationship between all members of the school community. To support this culture of excellence and mutual respect a code of behaviour has been drawn up and is set out below to ensure no doubt exists as to the behaviours which are expected from all of us.

Parental co-operation is considered fundamental to the development and implementation of this school's policy.

Policy Application

This policy applies to the students of a Coláiste na Mí and relates to all school activities, both during, and outside of school hours. Once a student is recognisable as a student of Coláiste na Mí (i.e: wearing school uniform items) then the school reserves its right to safeguard its good name. Where a student is alleged to have engaged in serious misbehaviour outside school, when not under the care or responsibility of the school, the school code of behaviour will apply if there is a **clear connection** with the school and a **demonstrable impact** on its work.

The policy has been developed in line with our mission statement.

Coláiste na Mí Goals:

- To create a safe learning environment for all attending Coláiste na Mí
- To promote good behaviour and self-discipline and pride in Coláiste na Mí
- To outline fair and agreed sanctions that will be used in response to misbehaviour.
- To outline the interventions to be used when a student misbehaves.

Coláiste na Mí Nine Values:

1. Respect
2. Justice
3. Integrity
4. Honesty
5. Saothar
6. Kindness
7. Honour

- If the school is concerned about a student's attendance or if the absences exceed 20 days in one year a referral to TESS will be made by the school.

However, should an incident occur such as serious verbal or physical abuse of any person in the school community, theft, alcohol or drug abuse or possession of offensive weapons then these behaviours will automatically be reported to the Principal/Deputy Principals and dealt with immediately.

LOUTH AND MEATH EDUCATION AND TRAINING BOARD

SUSPENSION AND EXPULSION POLICY AND PROCEDURES

1. Policy Statement

1.1. The suspensions and expulsions policy applies to all schools established and maintained by Louth and Meath Education and Training Board.

2. Legal framework

2.1. Louth and Meath ETB acknowledge the duty of schools under its control to publish their policy concerning admission and participation in the school, including the policy of the school relating to the expulsion and suspension of students pursuant to Section 15 (d) of the Education Act 1998 and Section 23 of the Education Welfare Act 2000. The Code of Behaviour in Coláiste na Mí specifies:

- The standards of behaviour that shall be observed by each student attending the school
- The measures that may be taken when a student fails or refuses to observe those standards
- The procedures to be followed before a student may be suspended or expelled from a school
- The grounds for removing a suspension imposed in relation to a student

- The procedures to be followed relating to notification of a child's absence from school.

2.2. Coláiste na Mí affirms that its Code of Behaviour is prepared in accordance with the Guidelines issued by the Education Welfare Board 2008. The Code of Behaviour addresses:

- The standards of behaviour expected in the school
- The plan for promoting good behaviour
- The ways in which a school responds to unacceptable behaviour
- The plan for implementing the code of behaviour
- School procedures for the use of suspension and expulsion

2.3. Coláiste na Mí recognises the Right to Appeal pursuant to Section 29 of the Education Act.

2.4. In regard to informing the Education Welfare Board, Coláiste na Mí affirms its statutory obligation pursuant to section 21 (4)(a) of the Education Welfare Act.

2.5. Coláiste na Mí affirms that data collected in relation to students and parents is in compliance with the Data Protection Acts 1988 and 2003.

3 Suspensions

3.1 The Board of Management of Coláiste na Mí holds the authority to suspend a student. This authority is devolved under Section 44 (11(a)) of the Education and Training Boards Act 2013 by Louth and Meath ETB to the Boards of Management of each of the schools under its control.

3.2 Louth and Meath ETB recognises that the Boards of Management of Coláiste na Mí may delegate this authority to the Principal of Coláiste na Mí. The Board of Management should make a formal delegation arrangement taking due account of the provisions of the Education and Training Boards Act 2013.

3.3 Coláiste na Mí recognises that suspension is only one strategy within the Coláiste na Mí Code of Behaviour in response to inappropriate behaviour.

3.4. Coláiste na Mí recognises that when all other strategies have been exhausted, suspension affords a student time to reflect on their behaviour, to acknowledge and accept responsibility for their behaviour and to accept the need for the behaviour to change. Coláiste na Mí works closely with parents to assist a suspended student to re-join the school community successfully.

3.5. Coláiste na Mí acknowledges that suspension should be a proportionate response to the behaviour that is causing concern. The decision to suspend a student requires serious grounds such as that:

- The student's behaviour has had a seriously detrimental effect on the education of other students.
- The student's continued presence in the school at this time constitutes a threat to safety.
- The student is responsible for serious damage to property.
- The student breaches the Code of Behaviour. (At the discretion of the Principal.)

3.6. Coláiste na Mí affirms that all suspensions must be notified to the Board of Management of Coláiste na Mí.

3.7. Coláiste na Mí affirms that the Education Welfare Services of the Child and Family Agency (Tusla) should be informed of suspensions in the following circumstances:

- Where the period of suspension is for 6 or more consecutive school days.
- Where the aggregate number of days on which a student has been suspended /absent in any school year is 20 or more days.

3.8. Coláiste na Mí affirms that suspension may occur after the following factors have been considered:

- The nature and seriousness of the behaviour
- The impact and context of the behaviour
- The interventions tried to date
- That all discipline options under the Coláiste na Mí Code of Behaviour have been applied and documented
- That all actions /decisions taken are recorded and all correspondence copied.
- Discussion has occurred with the student and parent(s) regarding the specific behaviour which the school considers unacceptable, and which may lead to suspension.

3.9. The Board of Management of Coláiste na Mí affirms that students attending Coláiste na Mí may be suspended as follows pending investigation and /or discussion with parents. The following list is not exhaustive:

- For serious misbehaviour
- For an unacceptable level of repeated misbehaviour
- For bullying, insulting, aggressive or violent behaviour towards others whether in person, by mobile phone or via social media or other electronic means; in the school, or when identifiable with the school
- For the supply/possession /use of alcohol and /or illegal drugs
- For the supply /possession /use of weapons/ hazardous materials
- For behaviour that may be a danger to self or others
- For racist behaviour /supply of racist behaviour/use of racist material
- For behaviour that is contrary to the terms of the Equal Status Act 2000
- For sexual harassment and/or the possession/supply /use of pornographic material.

3.10. Coláiste na Mí acknowledges that a single incident of serious misconduct may be grounds for suspension. Such grounds may include where the continued presence

of the student in the school at the time would represent a serious threat to the safety or welfare of students, staff of the school or any other person.

3.11. A student may be suspended during a state examination and such suspension should normally be approved by the Board of Management of Coláiste na Mí. This type of suspension should only be used where there is:

- A threat to good order in the conduct of the examination
- A threat to the safety or welfare of other students and personnel
- A threat to the right of the other students to do their exam in a calm atmosphere.

3.12. Louth and Meath ETB recognises that the Board of Management of Coláiste na Mí may decide as part of the school's policy on sanctions and following consultation process with the Principal, parents, teachers and students, that particular named behaviour incur suspension as a sanction. This does not remove the duty to follow due process and fair procedures in each case.

4 Inappropriate use of Suspension

- Rolling suspension. A student should not be suspended again shortly after they return to Coláiste na Mí unless they engage in serious misbehaviour that warrants suspension, that fair procedures are observed in full and the standard applied to judging the behaviour is the same as that standard applied to the behaviour of any other student.
- Informal/ unacknowledged suspension. Exclusion of a student for part of the school day as a sanction is a suspension.
- Open-ended suspension. Students should not be suspended for an indefinite period. Any such suspension would be regarded as a de-facto expulsion.

5 Procedures in respect of Suspension.

5.1 Louth and Meath ETB affirms that Coláiste na Mí is required to follow fair procedures when proposing to suspend a student. The school should observe the following procedures

- The student and parent(s) should be informed about the complaint
- The student and parent(s) should be given the opportunity to respond
- In the case of 'immediate' suspension, a preliminary investigation should be conducted to establish the case for the imposition of the suspension. Parents must be notified and arrangement made for the student to be collected from the school. The school must have due regard for its duty of care for the student.

5.2 A student should not be suspended for more than 3 days except in exceptional circumstances. Louth and Meath ETB recognises that the Board of Management of Coláiste na Mí should provide guidance to the Principal concerning the kinds of circumstances under which suspensions of longer than 3 days might be approved. If a suspension of longer than 3 days is being proposed the matter should be referred to the Board of Management for consideration and approval. However, Louth and Meath ETB recognises that the Board of Management of Coláiste na Mí may wish to authorise the Principal, with the approval of the Chairperson of the Board of Management, to impose a suspension of up to 5 days in circumstances where a meeting of the Board cannot be convened in a timely fashion. Such authorisation must be recorded in the minutes of meeting of the Board of Management and reviewed on an annual basis.

5.3 Louth and Meath ETB affirms the Boards of Management of Coláiste na Mí should formally review any proposal to suspend a student where the suspension would bring the number of days for which the student has been

suspended in the current school year to 20 days or more. Any such suspension is subject to appeal under section 29 of the Education Act 1998.

6 Implementing the suspension

6.1 The Principal of Coláiste na Mí should notify the Parent(s) and the student in writing of the decision to suspend. The letter will confirm:

- The period of the suspension and the dates on which the suspension will begin and end.
- The reasons for the suspension.
- Any study programme to be followed.
- The arrangements for returning to school, including any commitments to be entered into by the student and the parents.
- The provision for an appeal to the Department of Education, in the case of a suspension which would bring the days suspended in one academic year over 20 days.

6.2 In the case where Parents do not agree to meet with the Principal, Louth and Meath ETB confirms that written notice will serve as notice to impose a suspension.

6.3 A suspension may be removed if the Board of Management of Coláiste na Mí decides to remove the suspension for any reason.

7 Section 29 Appeal against Suspension

7.1 Where the total number of days for which the student has been suspended in the current school year reaches 20 days, the parent(s) or a student aged over 18 years, may appeal the suspension under Section 29 of the Education Act 1998 to the Minister for Education.

7.2 An appeal may be made by the parent of the student concerned, or by the student concerned where the student has reached the age of 18 years. In accordance with section 26 of the Education (Welfare) Act, 2000, the Child and Family Agency (Tusla)

may appoint a person, independent of that Agency, to appeal a decision of a board of management or person acting on behalf of the board of management to permanently exclude a student from a school.

- 7.3 An appeal must be made within **42 calendar days** from the date of the decision of the board of management or a person acting on behalf of the board of management.
- 7.4 Appeals must be made in writing on the Section 29 Appeal Form and submitted to the Section 29 Appeals Administration Unit which has been established within the Department of Education to provide administrative support to enable appeals committees perform their functions. The Section 29 Appeal Form may be downloaded from the Department's website or obtained directly from the Section 29 Appeals Administration Unit. Contact details for the Unit are available on the Department's website www.education.ie.

8 Expulsion

- 8.1 Louth and Meath ETB has the authority to expel a student. This authority may be delegated under Section 44 (11(a)) of the Education and Training Boards Act 2013 by Louth and Meath ETB to the Board of Management of Coláiste na Mí.
- 8.2 Expulsion should be a proportionate response to the student's behaviour. Coláiste na Mí acknowledges that expulsion of a student is a very serious step and one that should only be taken by the Board of Management of Coláiste na Mí in extreme cases of unacceptable behaviour.
- 8.3 The Board of Management of Coláiste na Mí affirms that Coláiste na Mí needs to have taken significant steps to address the misbehaviour and to avoid expulsion.

Such measures may include:

- Meeting with parents and students to try and find ways of helping the student to change their behaviour.
- Making sure that the student understands the possible consequences of their behaviour should it persist
- Ensuring that all possible options have been tried.

- Seeking the assistance of relevant support agencies, e.g. Child and Family Agency (Tusla) Education Welfare Services, HSE Child and Adolescent Mental Health Services. National Behavioural Support Service JLO, NEPS, NCSE.

8.4 A proposal to expel a student requires serious grounds such as that:

- The student's behaviour is a persistent cause of significant disruption to the learning of others or to the teaching process
- The student's continued presence in the school constitutes a real and significant threat to the safety and welfare of others.
- The student is responsible for serious damage to property.

8.5 Before expulsion is considered schools' authorities must satisfy themselves that all possibilities have been exhausted for changing the student's behaviour.

8.6 'Automatic Expulsion'

The Board of Management of Coláiste na Mí may decide in consultation with the Principal, parents, teachers and students that particular named behaviours would result in 'Automatic' expulsion. This does not remove the duty to follow due process and fair procedure.

8.7 Expulsion for first or once-off offence

There may be exceptional circumstances where the Board of Management of Coláiste na Mí decides that a student should be expelled for a first offence. The kinds of behaviour that might result in a proposal to expel on the basis of a single breach of the Code of Behaviour could include:

- A serious threat of violence against another student or member of staff
- Actual violence or physical assault
- Supplying illegal drugs to students in the school
- Sexual assault

9 Factors to Consider before proposing to expel a student

9.1 The Board of Management of Coláiste na Mí should take the following factors into consideration before considering expelling a student:

- The nature and seriousness of the behaviour
- The context of the behaviour
- The impact of the behaviour
- The interventions already tried to change the student's behaviour
- Whether expulsion is a proportionate response
- The possible impact of expulsion

9.2 Expulsion would not be appropriate for the following:

- Poor academic performance
- Poor attendance or lateness
- Minor breaches of the Code of Behaviour

However, any behaviour that is persistently disruptive to learning or dangerous can be a serious matter. Behaviour must be examined in context to understand both the behaviour itself and the response or sanction that is most appropriate.

10 Procedures in respect of expulsion

- 10.1 A detailed investigation will be carried out under the direction of the Principal. The Principal should ensure that no party who has had any involvement with the circumstances of the case is part of the investigation.
- 10.2 The Principal should inform the student and his/her parents about the specific details of the alleged breach of behaviour, how it will be investigated and that it could result in expulsion. The Principal must ensure that the student and parents are given every opportunity to respond to the complaint of serious misbehaviour. The Principal

should communicate this in writing to ensure that parents have a permanent record of having been informed.

10.3 A meeting should be arranged between the student and their parents and the Principal of Coláiste na Mí before a sanction is imposed.

10.4 Should a student and their parent(s) fail to attend a meeting the Principal should write advising:

- the seriousness of the matter
- the importance of attending a re-scheduled meeting
- Failing that, the duty of the school authorities to make a decision to respond to the inappropriate behaviour
- Record all correspondence

10.5 Where the Principal of Coláiste na Mí forms a view, based on the investigation of the alleged misbehaviour, that expulsion may be warranted, the Principal shall make a recommendation to the Board to consider expulsion.

10.6 The Principal should:

- Inform the student and parents in writing that the Board of Management is being asked to consider expulsion.
- Ensure that parents have written records of (a) the allegation, (b) the investigation, (c) written notice of the grounds on which the Board of Management is being asked to consider expulsion.
- Provide the Board with the same comprehensive records as are given to the student and the parents.
- Notify the parents in good time of the date of the hearing with the Board of management and invite them to that hearing.

- Advise the parents that they can make a written and oral submission to the Board of Management.
- Ensure parents are given enough notice to allow them to prepare for the meeting.

10.7 It is the responsibility of the Board of Management of Coláiste na Mí to review the initial investigation and satisfy itself that the investigation was properly conducted in line with fair procedures.

10.8 The Board of Management should undertake its own review of documentation and all circumstances of the case.

10.9 The Board of Management should ensure that no party who has had any involvement with the circumstances of the case is part of the Board's deliberations.
