SECOND Year NEWSLETTER

February 2026 |

Dear Parents/Guardians,

I am writing to you to provide an update on the progress of our Second Year students since Christmas.

Thank you for your continued support in relation to school policies and procedures, which can be found on the school website: [Coláiste na Mí School Policies](#)

Students had an Athena Review meeting this term. The purpose of which was to set academic goals for the summer exams and address any difficulties students might be facing in their studies. Students were advised to utilise [examrevision.ie](#), after school study and Maths club.

Footballers have reached the Cup Final of the Second Year GAA D1 division this year, going unbeaten for 3 games in a row. Congratulations. A lunchtime Soccer League is running for five weeks with all seven classes competing against each.

For the Barcelona trip, students should have provided a copy of their EHIC card and their passport to their designated teacher, along with a signed ST5 form. A Parent/Guardian information evening will take place in May, date to be confirmed.

Reminders

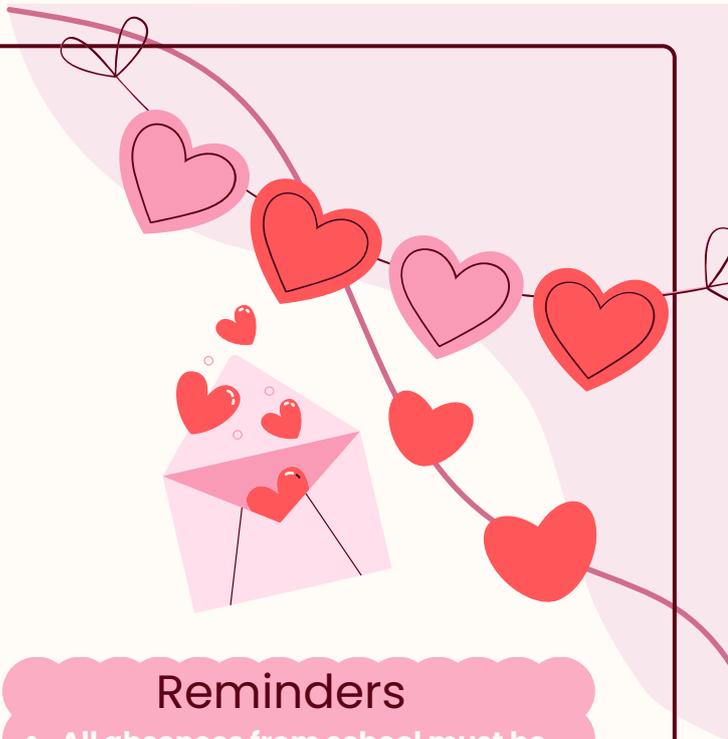

- All absences from school must be explained and recorded on [Compass](#). [Compass Parent Guide](#).
- Fundraiser for the school musical will take place on Wednesday 25th February as a non uniform day.
- SPHE RSE Programme starts 23rd February and runs in class time for 6 weeks up to 17th April 2026.

Schools uniform policy reminder, nose rings are strictly forbidden, clear plastic nose studs can be worn. School coats are the only coat permitted on campus. School shoes must be fully black. The old school hoody is not part of the current school uniform. PE uniform only on PE days.

Establishing a healthy and effective study routine is vital. 2nd years should spend 2 hours on average each evening between homework and study.

Please see the homework assigned by subject Teachers for the week. Your support on this work being completed is much appreciated.

Yours sincerely,
Iníon Corcoran
Second Year Year Head
