THIRD Year NEWSLETTER

February 2026 |

Dear Parents/Guardians,

I am writing to you to provide an update on the progress of our Third Year students since Christmas.

Thank you for your continued support in relation to school policies and procedures, which can be found on the school website: [Coláiste na Mí School Policies](#).

I would like to commend the students on the mature and focused manner in which they approached their mock examinations. Students engaged well with the process and showed a positive attitude throughout. Mock examination reports will be available on Compass on 14th February and we encourage you to review these carefully with your son/daughter as they prepare for the upcoming State examinations in June. Students are advised to utilise [examrevision.ie](#), and Maths club. After school study is available for students.

Students participated in a workshop delivered by Sport Against Racism Ireland. This was an engaging and thought-provoking session. Senior Cycle Subject Taster Talks were held for all students to support them in choosing their options for next year.

Reminders

- All absences from school must be explained and recorded on [Compass](#). [Compass Parent Guide](#).
- Fundraiser for the school musical will take place on Wednesday 25th February as a non uniform day.
- SPHE RSE Programme starts 23rd February and runs in class time for 6 weeks up to 17th April 2026.

Schools uniform policy reminder, nose rings are strictly forbidden, clear plastic nose studs can be worn. School coats are the only coat permitted on campus. School shoes must be fully black. The old school hoody is not part of the current school uniform. PE uniform only on PE days.

As we move into the final term, attendance, punctuality, and consistent study habits will be particularly important. Please see the homework assigned by subject Teachers for the week. Your support on this work being completed is much appreciated.

Yours sincerely,
Máistir Reilly,
Third Year Year Head
